Sunday 17th April 2016

University of Auckland, New Zealand

Electrochemistry Division – Royal Australian Chemical Institute

New Zealand Institute of Chemistry

ISE Satellite Student Regional Symposium on Electrochemistry & 20th Australian/New Zealand Electrochemistry Symposium (20ANZES) will be held at the University of Auckland, Auckland, New Zealand on Sunday 17th April 2016. The meeting will be a forum for the presentation and discussion of research on all aspects of electrochemistry. It immediately precedes the 19th Topical Meeting of the International Society of Electrochemistry (<http://topical19.ise-online.org/>).

The symposium will feature lectures by two renowned experts and the Electrochemistry Division's 2016 Bond medallist:

Speakers: **Prof. Ulrich Stimming** (Newcastle University)
Prof. Richard McCreery (University of Alberta)

A.M. Bond Medallist: **Dr. Leigh Aldous** (UNSW)

Important dates:

18 January 2016: Deadline for abstract submission

1 February 2016: Notification of paper acceptance decision

3 April 2016: early-bird registration deadline (reduced fee)

17 April 2016: Symposium

Call for papers:

Abstracts for contributed lecture and poster presentations are now invited. The organising committee is especially interested in receiving abstracts for presentations from PhD research students and other early-career researchers. The deadline for receipt of abstracts is 18th January 2016.
